

Statement on REACH Compliance

Meritek Electronics Corporation is aware of the REACH Regulation (Registration, Evaluation, Authorization and Restriction of Chemicals Regulation, EC 1907/2006), the European Union regulation that is intended to regulate the use and importation of chemicals and substances into the European Union. **Meritek** Supports the basic objective of REACH to further improve the European Union's chemicals regulatory system, including the aim to advance public health and safety and the protection of the environment. **Meritek** continues to review our components and products in an on-going effort to continue the due diligence process.

Meritek Electronics Corporation will meet all REACH requirements and is committed to provide our customers with information about substances in our components and products according to the requirements of 235 substances in the candidate list of Substances of Very High Concern (SVHC) for REACH regulation published by European Chemical Agency (ECHA) as of June 14, 2023. We will notify the Customers if the presence of any Substances of Very High Concern (SVHC) in a product exceeding 0.1% by weight.

If Customers have the request about the compliance documents for our components and products please email the request to sales@meritekusa.com.
